

KP GP IV THERAPY

YOUR IV THERAPY

Power Punch

£120

Sport Performance

High-impact hydration with a blend of performance-enhancing electrolytes, B-complex vitamins, and minerals. Think pre- or post-workout protein shake – minus the blender.

Hydrate | Revive | Thrive

www.kpgpivtherapy.com

Duration of infusion: 30-40 minutes.

Main Indication: Recovery, regeneration improvement of sports performance.

Additional Benefits: A deficiency in magnesium can present as muscle cramping and spasms and if you're serious about your exercise, you've probably experienced aching muscles and joints at some point. Magnesium can speed up your recovery and help prevent injuries.

Glutathione regenerates and detoxifies the liver.
